**NEWS – [Arkema announces plans to increase Forane® 1233zd supply](#)**

Arkema announces the finalization of an agreement with Aofan to produce 5 kT/yr 1233zd in China in parallel with progressing the detailed planning of additional 15 kT capacity at its Calvert City, Ky., site.

**CSR (Corporate Social Responsibility) – [Arkema has received the bronze award in the Sustainability Yearbook 2021](#)**

For the first time, Arkema had joined the *Sustainability Yearbook 2021* of S&P Global. This ranking recognizes the best performing companies in terms of corporate social responsibility among their industry peers. In addition, Arkema has received the bronze award, making it one of the six leaders in the sector.

**FORANE APP UPDATE – [Forane® Refrigerants Tool Belt App Download it today!](#)**

Forane® Refrigerants  
Tool Belt App

Arkema is pleased to offer additional features on its market leading Forane® Refrigerants tool belt App. Customers will find additional refrigerants available in the HVAC-R market especially with the pending phasedown of HFCs. Arkema is now including lower GWP retrofits as well as newly introduced A2L “mildly flammable” refrigerants into the tool belt app. For additional information on these products download the App from your Apple™ or Android™ store today.

**HFO2021 – Arkema Sponsors and Participates in HFO2021 Virtual Show June 16-18, 2021**

Arkema was a Platinum Sponsor and presented two papers at HFO2021, 2<sup>nd</sup> IIR Conference on HFOs and Low GWP blends June 16-18, 2021. Laurent Abbas presented two papers on behalf of Arkema: "Low GWP HFO Solutions for HVAC&R and Foam Applications" and "Performance and Properties of Polyurethane Pour-in-Place Systems using HFO 1233zd".
